Draft History of Office of Operations (1946-1952). Five Chapters condensed by Historical Staff ; 200 pp. 25X1A				

ABSTRACT

This is a draft history of the Office of Operations consisting of five chapters - Overt Collection and the OO, the Contact Division, the **STATSPEC**, the Foreign Document Division**, and the SOVMAT Staff. Each chapter is divided into the following sections: pre-CIG period, transfer to CIG, growth and development (CIG-CIA), field organization, sources and production of materials, special divisional functions and problems and appendices including organization charts, T/O totals, executive personnel lists and general data plus various backup papers.
